REGIONAL MANAGER

Nancy has extensive financial, technical and strategic sales and consulting experience.

BIO

She began her career as a financial analyst in the banking and chemical industries, evaluating capital investments and preparing earnings and cash flow forecasts. Nancy later joined a software firm as a client services manager, supporting their financial clients and later became a regional manager, selling software to the financial services industry – exceeding her sales goals every year.

More recently, Nancy developed a cross-industry business brokering practice. Services included business valuation, identification of improvement initiatives to increase valuation, marketing businesses to investors, and deal negotiations.

Nancy holds a BA in Mathematics from the University of Connecticut and an MBA in Finance from Widener University.
