## HR TECHNICAL RECRUITER

Helping CPA Firms Grow! CPA Firm Advisor, M&A Facilitator, Provider of Talent, Helping CPA Firms to help their Clients through our C Suite IMPACT group of Companies

## BIO

Marie has been in the recruitment industry for more than 10 years. She has a degree in B.S. Psychology and is a registered Behavior Technician under BCBA.

Her skills include building relationships with managers and stakeholders to understand what type of employees are needed, talent acquisition, employee engagement, and human resources.

She successfully filled job openings from entry-level to executive/lead, manager, and C-level positions in information technology, clergy, sales, real estate, human resources, and accounting.

Marie has chosen HR and Recruitment as her major career because she loves connecting with people and thinks there's nothing greater than finding opportunities for promising, driven, and smart people.
